ABOUT Agro Machinery Fertilizer & Seeds Expo

Bangladesh Agro Machinery, agro Chemicals, irrigations and Seeds sectors is on a significant growth path. The sector is teeming with good tidings, both in terms of its contribution to the world farm equipment scenario. In fact, trends already point to an exponential rise in Bangladesh share in the global farm equipment chemicals, irrigations and seeds market in years ahead. The superlative Bangladesh farm equipment and product sector performance is a result of efforts put in by both the government and the private sector towards promotion and adoption of mechanization in Bangladesh agricultural systems.
